FLY DOG

Dear Mom,

Thank you so much for the wonderful dinner. I really enjoyed it. Your cooking is always delicious. I'm glad you had a good time at Aunt Mary's house. I'm sure the children were very excited to see you. I wish I could have been there too. Dad and I miss you very much. We are looking forward to your next visit. Please give our regards to Aunt Mary and Uncle John.

Love,

Jane

The mind wanders back to the new band building when it was a collage of cement blocks on a concrete base before it would eventually be the floor of a dream come true. Students daydream of the "wild" trips, others have nightmares about marching up and down the football field-LEFT, RIGHT, LEFT!

Twirlers, standing on the football field in front of millions, wishing the drum majors would give the sign so they could quit standing with one leg in the air and their hands over their heads.

Of course, they made mistakes and at times wanted to be anywhere except where they were, but the band members should realize that the band of 76-77 is unique and will never be again.

HOMECOMING

Student Council sponsored "Spirit Days" which started the Homecoming events. A variety of Spirit Days, including socks and tennis shoes; clash day; red, white and hat day and boot and overall day led the way to the big Friday.

That traditional rivalry, everpresent between classes during the float competition had seniors taking first place, juniors captured second, and sophomores third.

Egg throwing was kept to a minimum, therefore, the '76 parade began as scheduled. Becca Crowell led the Royalty, as the dogs were downed that night by Siloam Springs, 16-14.

GUIDING RAYS

STRATEGISTS

A major task in modern education is maintaining communication between the board, administration, and teachers. They all three share a common goal of providing the best possible opportunity for a good education.

The legal responsibility for the adoption of school policies belongs to the school board exclusively. Supertintendent Smith functions both as the chief of administrator for the board and as head of the professional staff.

As the school becomes larger, administrators exert more care to assure its smooth operation. Every detail from snow to doughnuts must be considered.

These men along with teachers work toward a common goal, helping the student to reach his fullest potential.

Social studies is the involvement of today, tomorrow and yesterday. As for today, government and Modern Times. For tomorrow, sociology I and II. If you are searching for yesterday, American History and Age of Revolution are the classes to take. It covers our country, society, and environment. And in the 76-77 year, S. H. Chorus, under the supervision of Mrs. Pierson, provides SHS with a varied form of musical entertainment including pop, religious, folk, and classical.

P.E. - There's Something For Everyone

Physical- adj. 1. of or concerning the body; physical exercise. Education- n. 2. the act or process of gaining particular knowledge or skills. P.E. is enjoyed by many and despised by others, but as of 75-76 only one credit of P.E. is required. Therefore, those few, despising the idea of physical exercise through gymnastics, tennis, vollyball, basketball and a variety of others, now do not have to take it. For those people who do enjoy P.E., its there, and many take advantage of it.

Working As Always

1. VICA-HOE officers: (Bottom Row) Lori Thiesse, Noma Nail, Lou Ann Meredith, (Top Row) Christine Pianalto, Pam Hoephner and Jean Simon. 2. Mrs. Roller giving helpful advice. 3. I love "round-up" time!

Practice Makes Perfect

At SHS when you want to get down to business, you have a wide range of choices: Home Economics and Housing for pursuing the domesticated life. Typing, Shorthand, Accounting, and Business Machines for the clerical mind. Shop, Drafting and Building Trades for future architects and contractors.

No matter what career you wish to make yours, SHS offers courses to prepare you both mentally and physically.

Ho-Hum, well . . . I find it personally rewarding. I like working with young people. JIM BLATT

I try to teach because I keep hoping and thinking I may someday master the art. DOROTHY CREIGHTON

There is a saying that a good teacher leads others to discover knowledge for themselves. I enjoy that challenge. When I think I've succeeded, it's a great feeling. MILDRED CUNNINGHAM

I enjoy teaching because of the material with which I work. The material is today's youth and tomorrow's future. KAY FLANAGAN

The job offers new situations daily. The working hours and holidays are ideal for working women with families. Teaching is a challenge I enjoy. JANET HANKS

I enjoy being around young people and helping them to understand and solve their problems. AARON HAWKINS

There is a special niche in the world for every person. Some search a lifetime and never find it. But I did--and it's teaching! JANE IVEY

I love young people, cling to truth, and despise ignorance. What better reasons could I find to be a teacher? BILL MERRIFIELD

Yes--I've become accustomed to low-paying high-rewarding employment! LOIS SLUSAREK

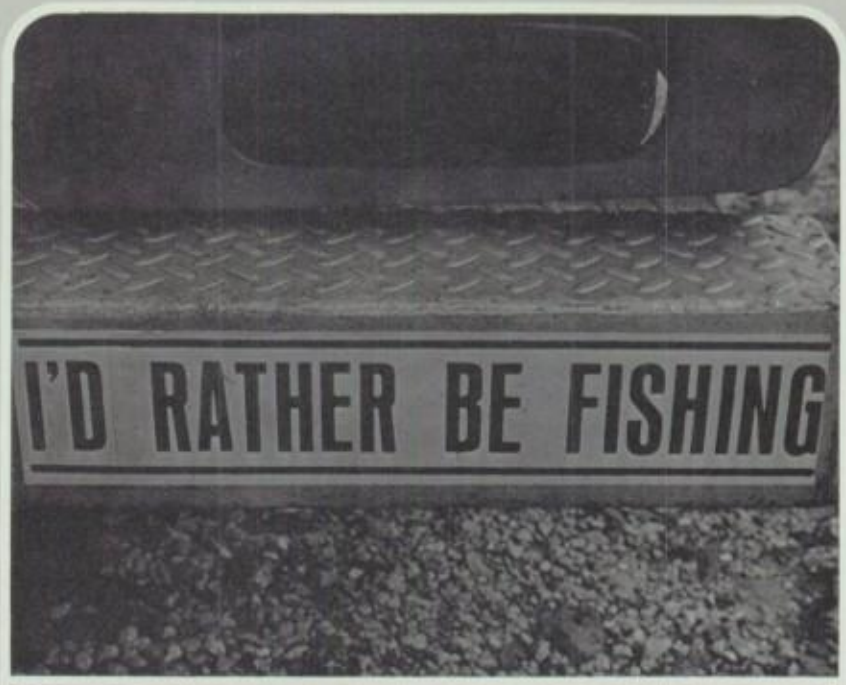
SPOTS AND DOTS



Kind of cute!

DANCES

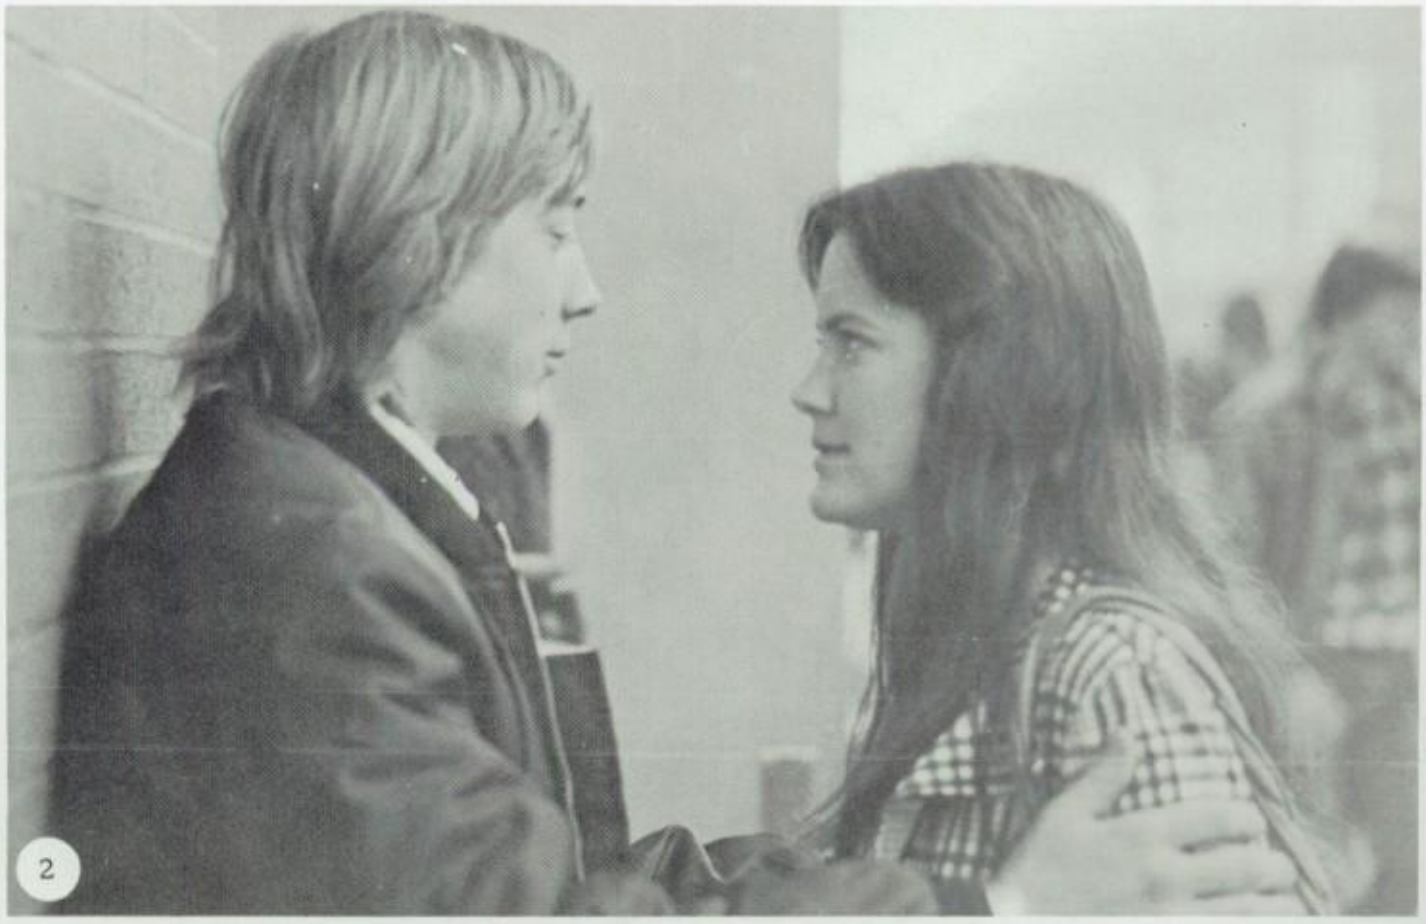
1. Kathy Reid and Bryan Grimsley stop to look at Bulldog. 2. The Senior girls get together for their last homecoming. 3. Denise Hawthorn explains. 4. Ellen Clark and Kim Downum slow the pace at the homecoming dance.

5. Quary entertains at the Christmas Dance. 6. Sponsors Mr. and Mrs. Simmons let their feet take over. 7. Cathy Bradshaw and Andy O'Mara see no one but each other. 8. R. Allen, N. Weaver, D. Doster and S. Shoemaker take a break.

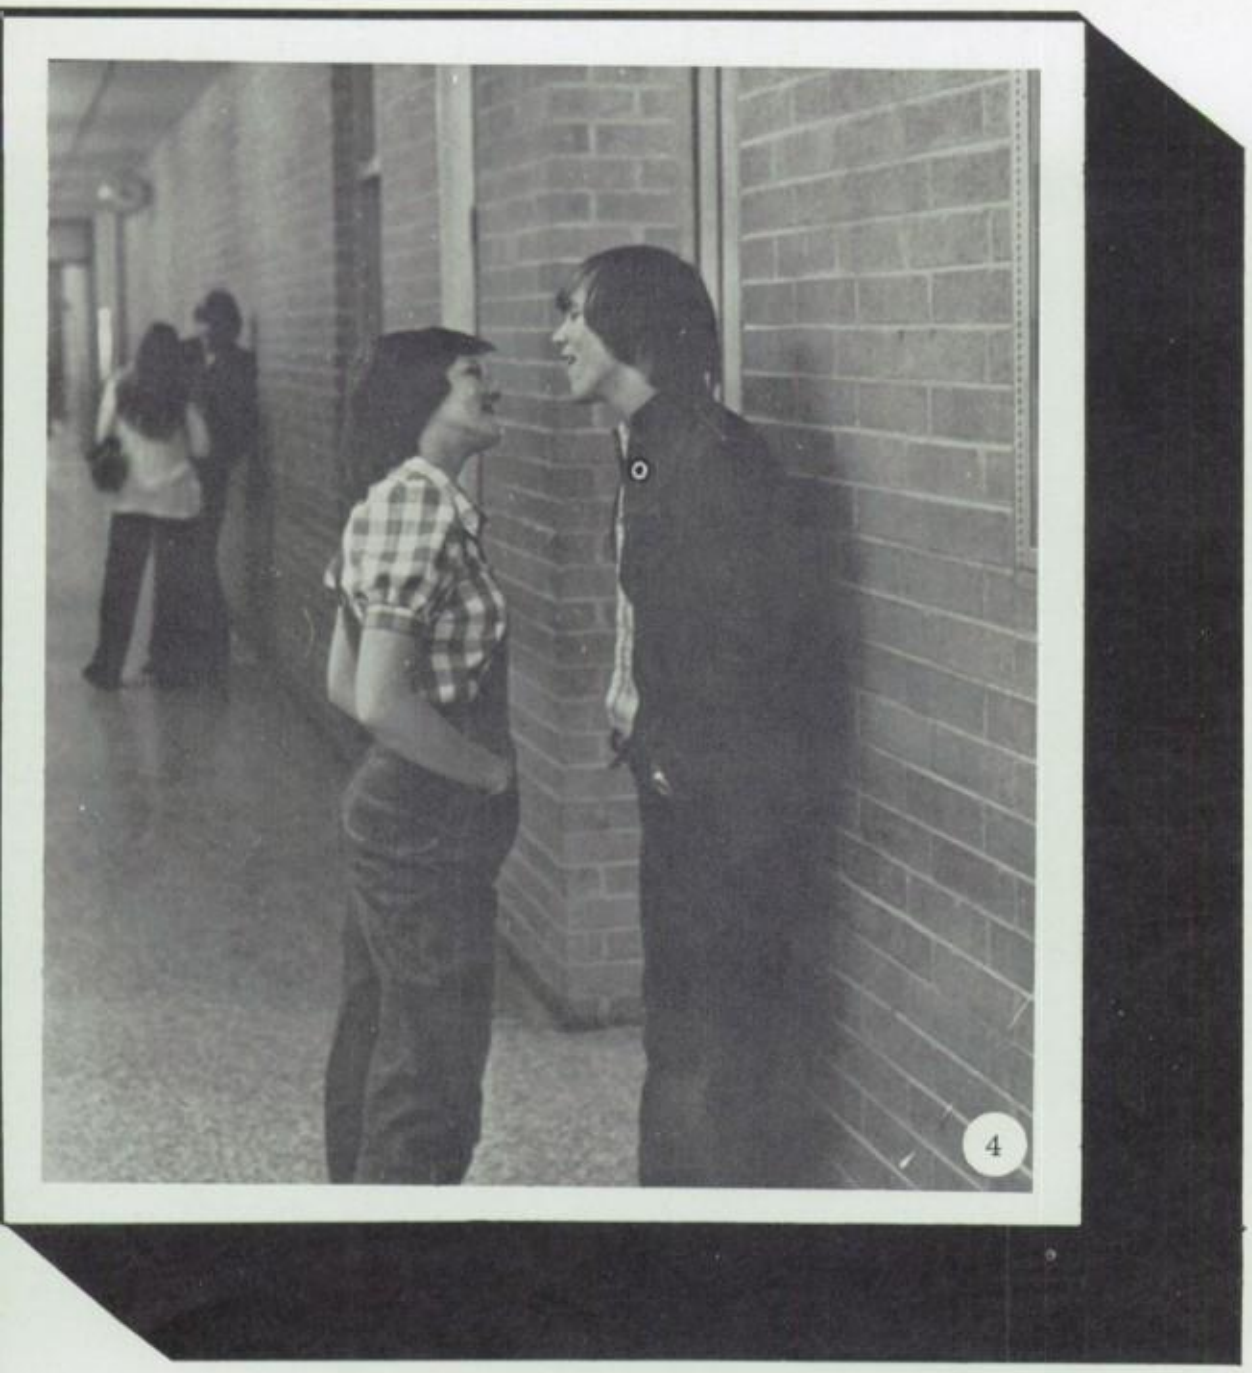
WE'RE STILL HAVING FUN...
YOU'RE STILL THE ONE!

1

1. Robin Johnson and Zane Drake sharing special moments by the Christmas tree. 2. Robbie Clements and Cynthia Jefferson talking things over. 3. Things don't seem to be going very smooth for Millie Robinson and Alan Malone. 4. This conversation apparently was made just for Debbie Doster and Steve Shoemaker.



2



They know they need to be in love, and they're not wasting any time. Anywhere you look around SHS you'll see couples.

Dreamy-eyed sophomores, juniors, and seniors have crazy smiles and certain looks which have a meaning known only to them. Dating has been going on as long as SHS has been standing, and couples will continue to share good times and create everlasting memories until the end of time.

IT WASN'T MY DAY

1

2

3

4

1. Sleeping, a means of escape from those too dull classes. 2. Hey mom, you'll never guess what happened. 3. This particular locker seems to grab hair. 4. Ellen Clark can't seem to get the hang of things. 5. Kim Trimble obviously thought there was a chair there. 6. Dropping your books always seems to happen at the wrong moment.

5

6

We all have more than our share of those days when nothing seems to go right. The alarm didn't go off and you overslept, you drag into school as the 8:10 bell rings.

After you miss a month of school because of snow, you return to your locker and try every combination except the right one. When you finally open it, the books fall out, the locker slams shut and grabs your hair. You have just enough time to run to class and beat the bell when a senior practically knocks you down and there go your books AGAIN!

Everyone has a bad day now and then, when you can go home and truthfully say, "It Wasn't My Day."

TO EACH HIS OWN

always smile like this!

1

2

3

"To each his own", this is the adage heard often at S.H.S. We each have "our own" kind of style and happiness. To some this is translated into musical notes, to others it is gritting their teeth before that shoot is opened. Some find their release in the smoking area. Springdale High has "it's own" with tennis, football, basketball, and dozens of other activities. We can each pursue our own interest--the end result??? S.H.S.

Let's Rodeo!

4

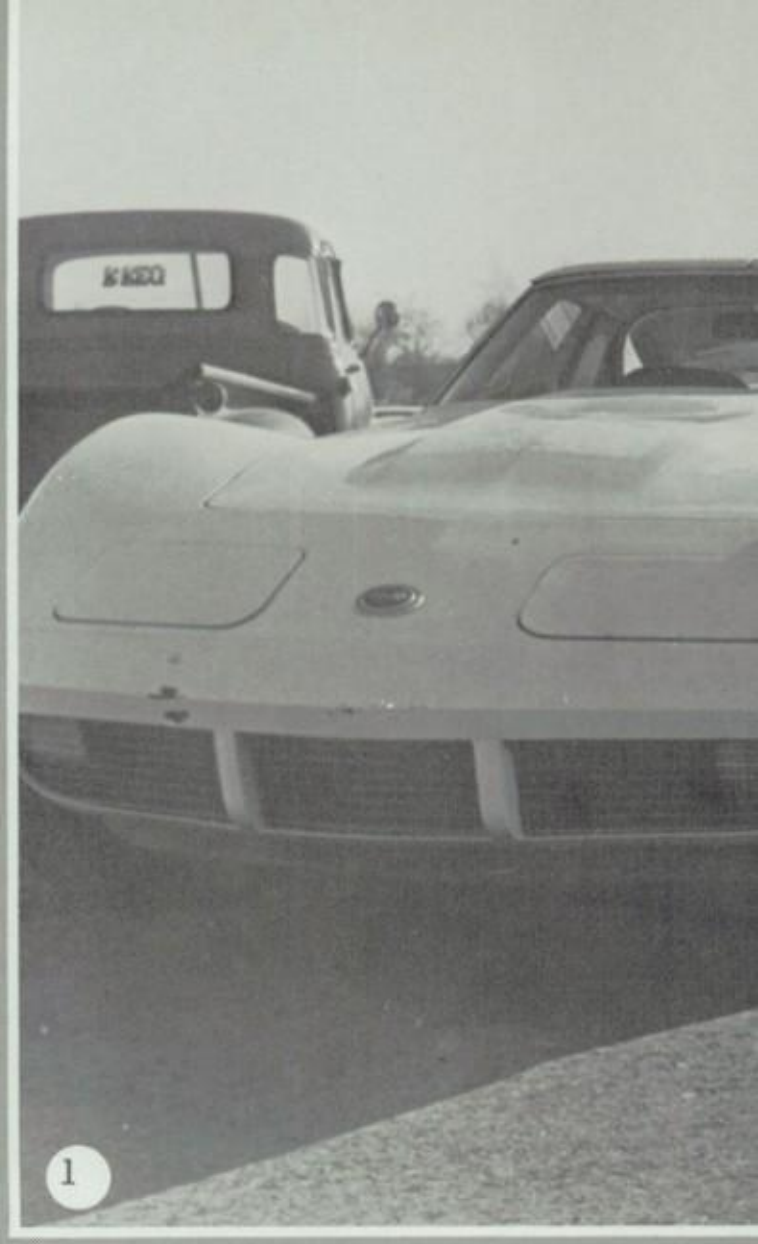
5

6

1. Singing is one way Dennis Griffin expresses himself. 2. Some students display "their own" in their musical abilities. 3. SHS cowboy prepares for short but rough ride. 4. Some students display "their own" by participating in SHS sports. 5. The locker is a part of every students life. 6. Their clique is "A flick of the Bic."

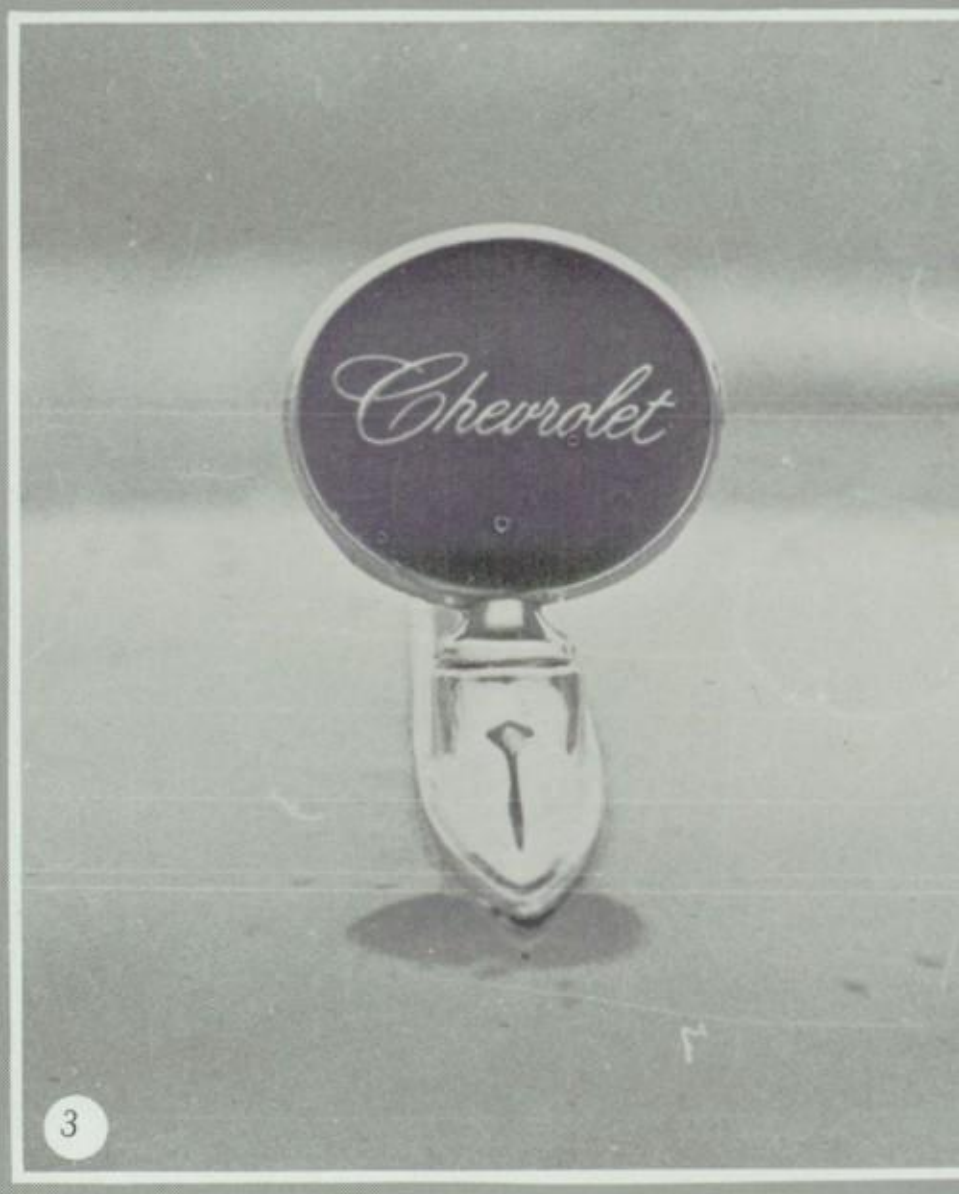
WHEELS!

"We take our car 'cause it's never been beat . . . " The words from the Beach Boys popular tune, seem to closely describe several "hot rods" and their owners at SHS. Whether crusin' the Sonic, or "burnin' 'em off" in the parking lot. They really "get around."



1

2



3

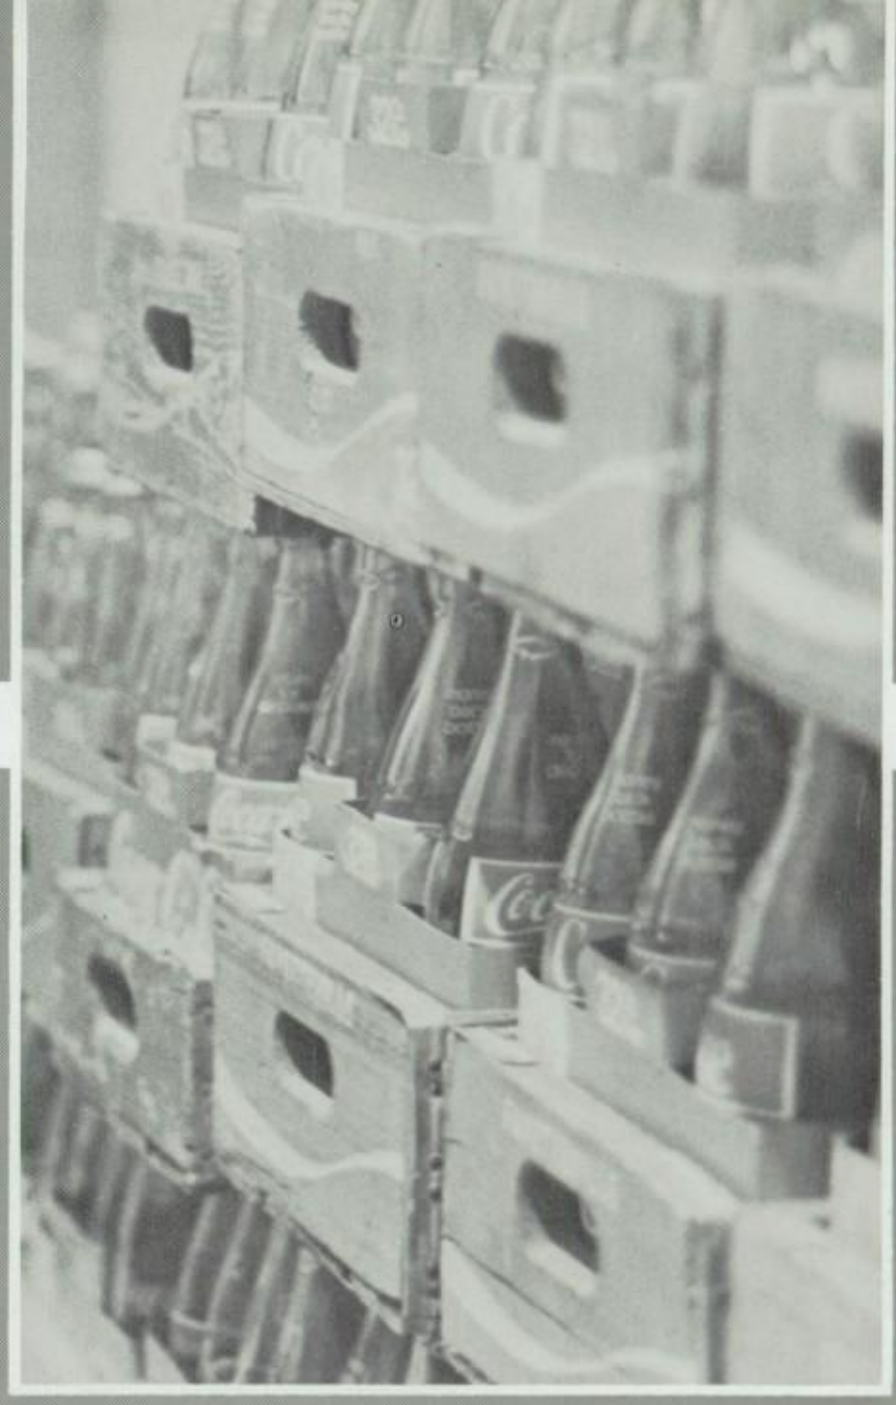
4

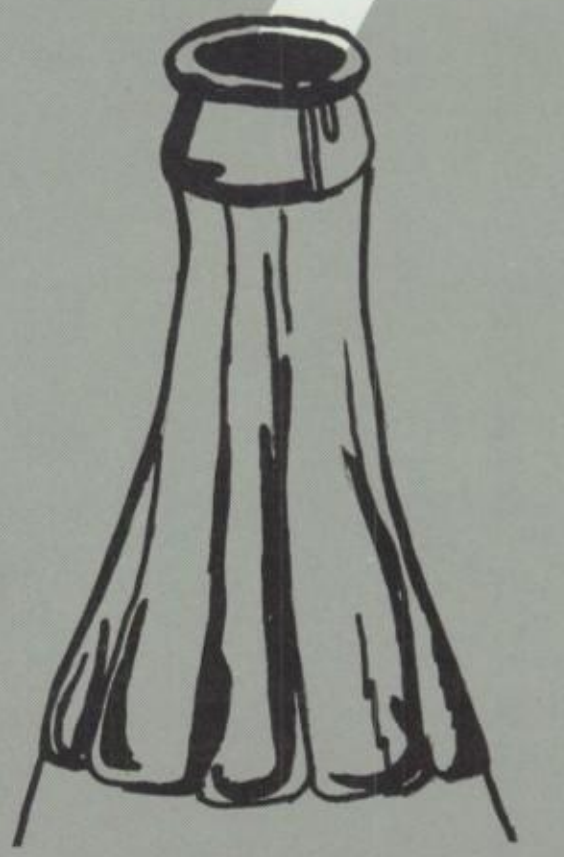
5

6

"Coke adds life" . . . to SHS? Maybe not, but it seems to quench the thirst of many students. Coke is king of SHS, being more popular than Dr. Pepper and its arch rival, 7-UP.

The famous beverage is loaded with additives, but a few people still have to contribute their own "additive". At the Pizza Hut, McDonald's or wherever, that all expense paid ticket to a truancy is nevertheless enjoyed by nearly everyone.



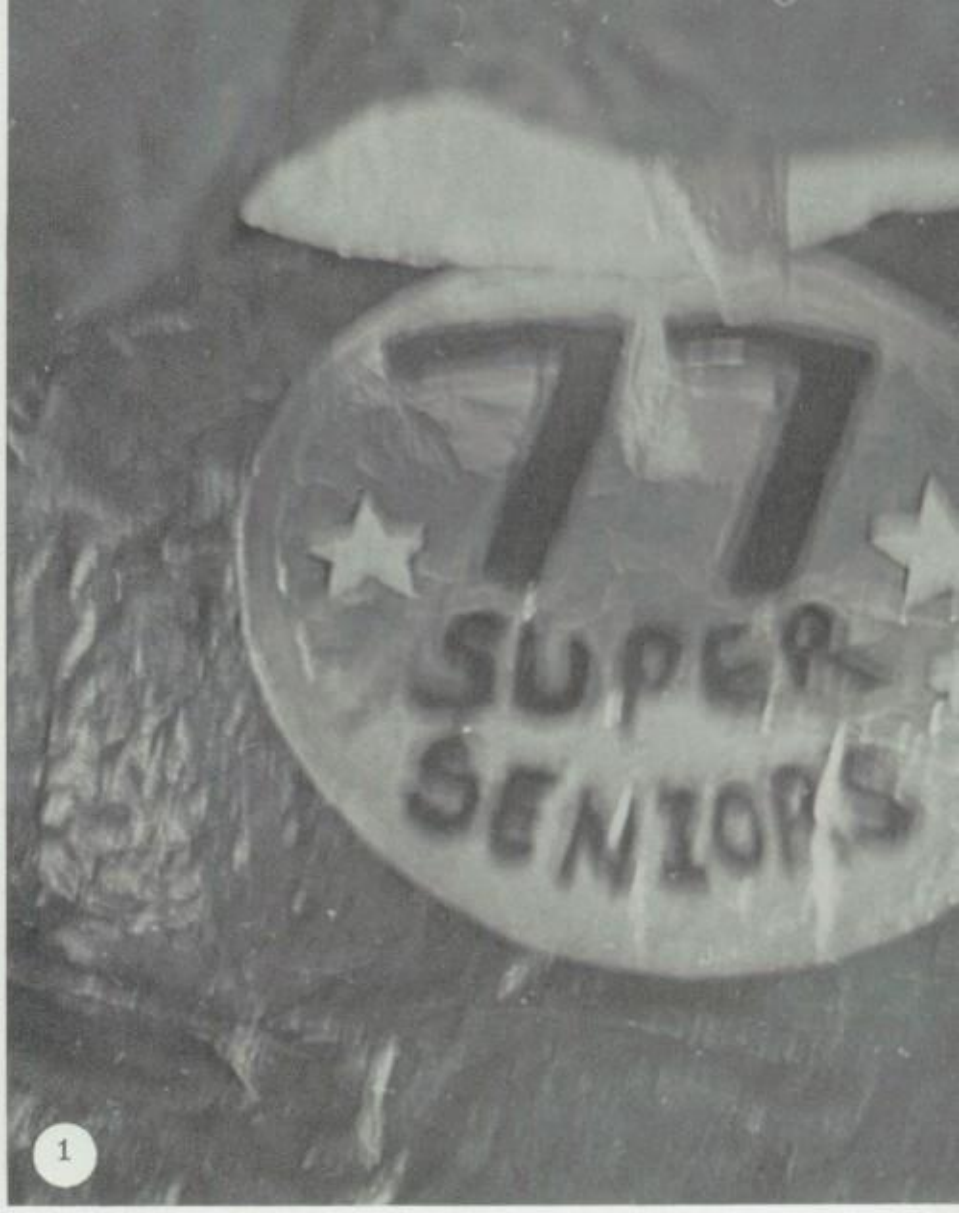


COKE

ADDS LIFE TO

SHS!

CLASS OF 77



1. "Super Seniors '77!" 2. Seniors have "special privileges." 3. Seniors order anouncements and invitations. 4. Rick Burton thinks about graduation while being measured for a cap.

Class Motto

"A journey of a thousand miles begins with a single step."

Times Of Your Life

Good morning yesterday,
You wake up--and time has slipped away,
And suddenly it's hard to find, the memories you left behind,
Remember, Do you remember the laughter and tears,
the shadows of misty yesteryears?
The good times and the bad you've seen and all the other
in between, remember.

Do you remember the times of your life?
Reach back for the joy and the sorrow,
put them away in your mind,
for memories are time that you borrow to spend when you
get to tomorrow.
Here comes the setting sun,
The seasons are passing one by one-
so gather moments while you may.
Collect the dreams you dream today,
Remember, will you remember the times of your life?

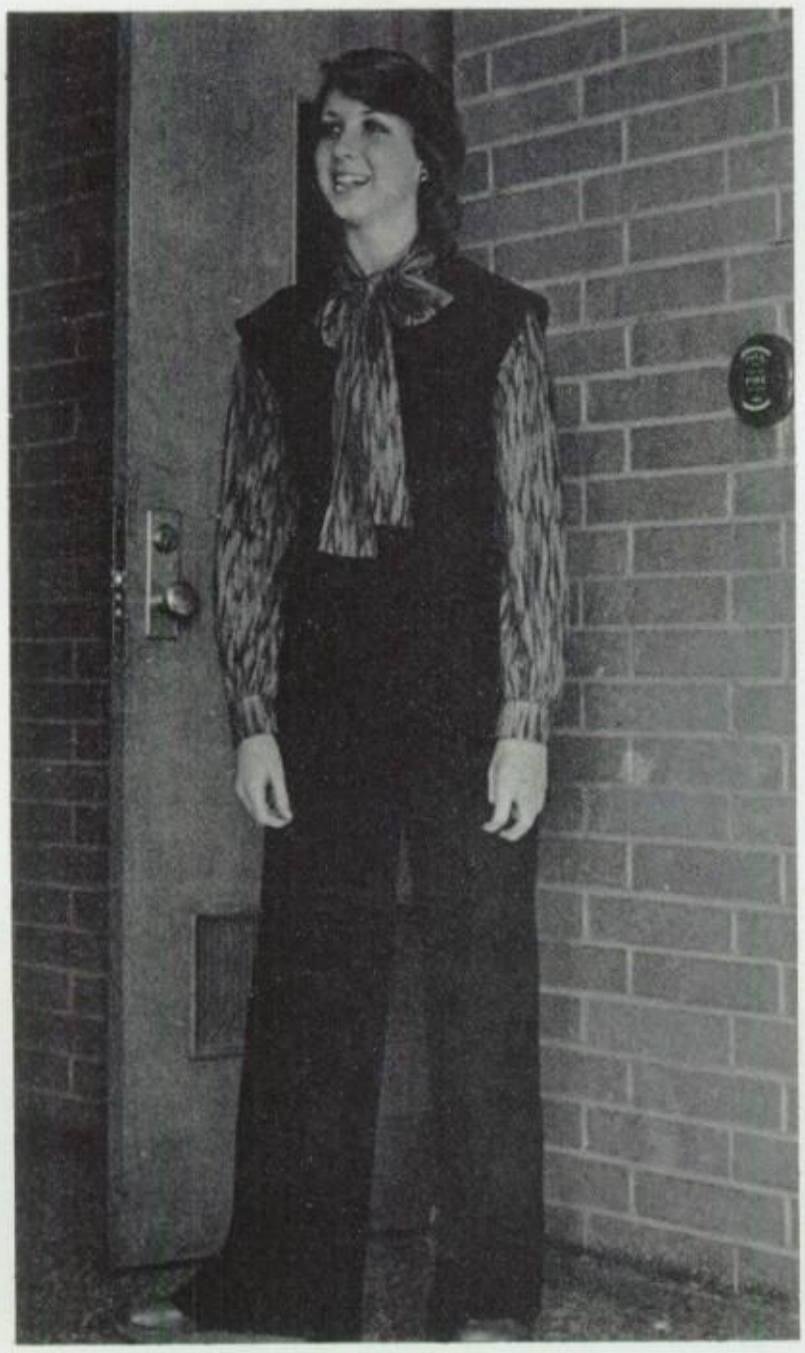
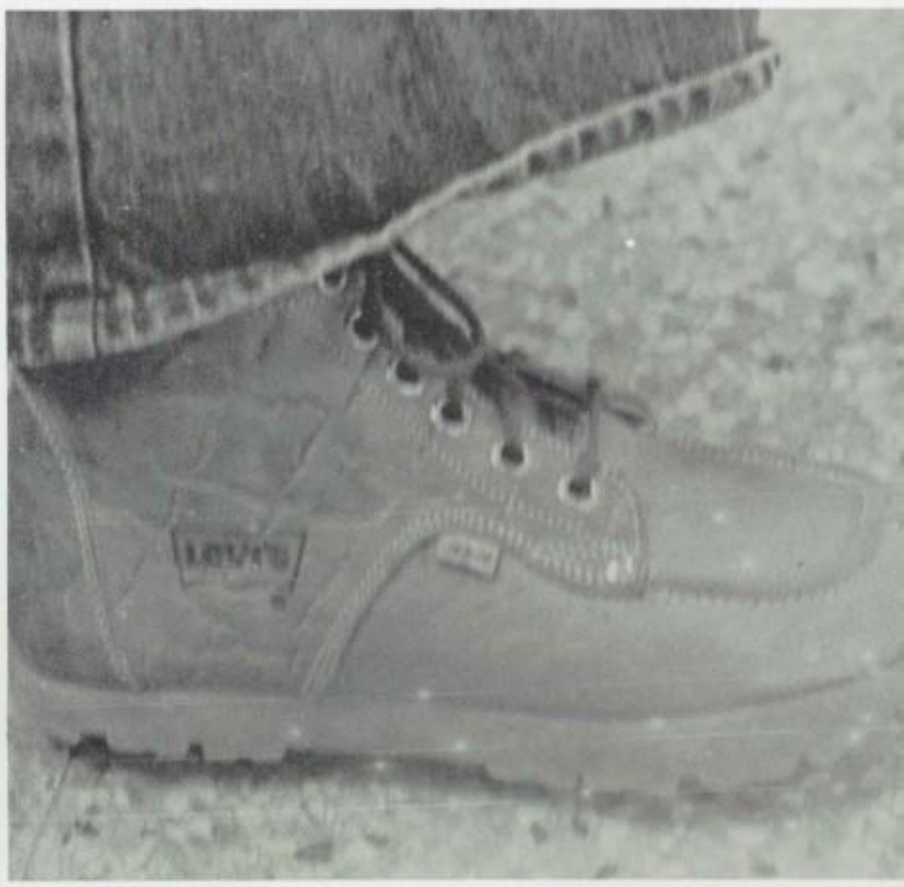
Senior Class "77"

FASHIONS

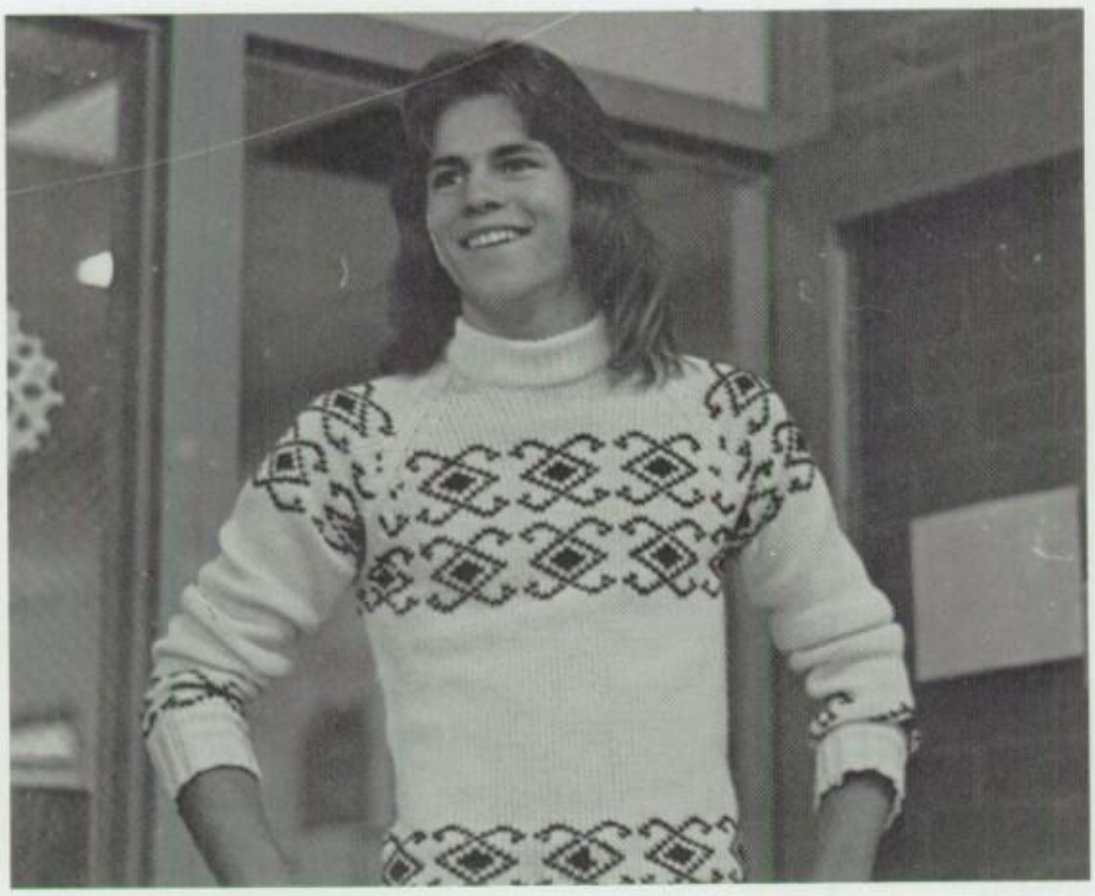


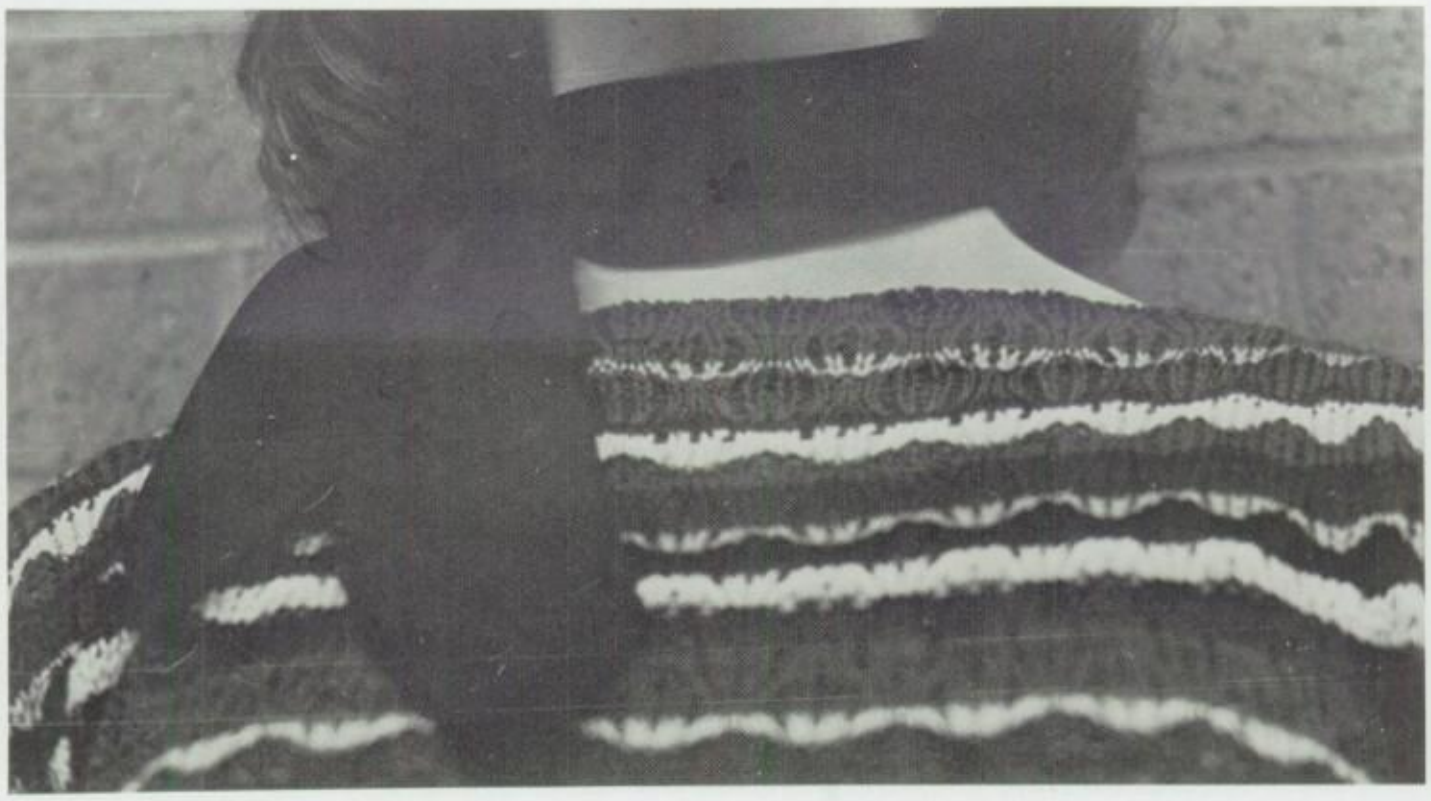


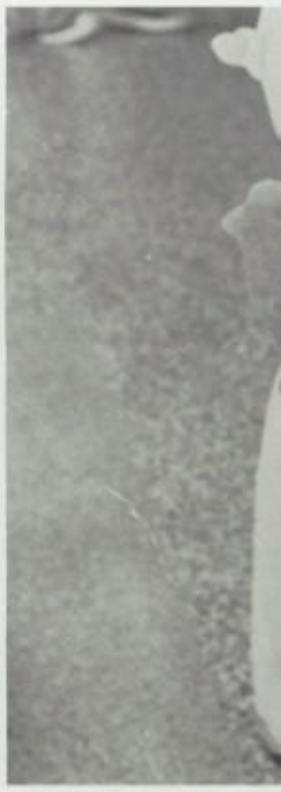
SHS students are setting the trend this year by wearing vest and jacket combinations with gaucho pants. Wrists, necks, and fingers are adorned with the inevitable turquoise jewelry, while feet are sporting boots, shoes with bump soles, and the ever popular Adidas. Without saying, legs just wouldn't be legs without the psychedelic socks and decorated hose. With each year, new fashion appears in the halls and classrooms of SHS. The new may be coming in, but it is always nice to remember the old.

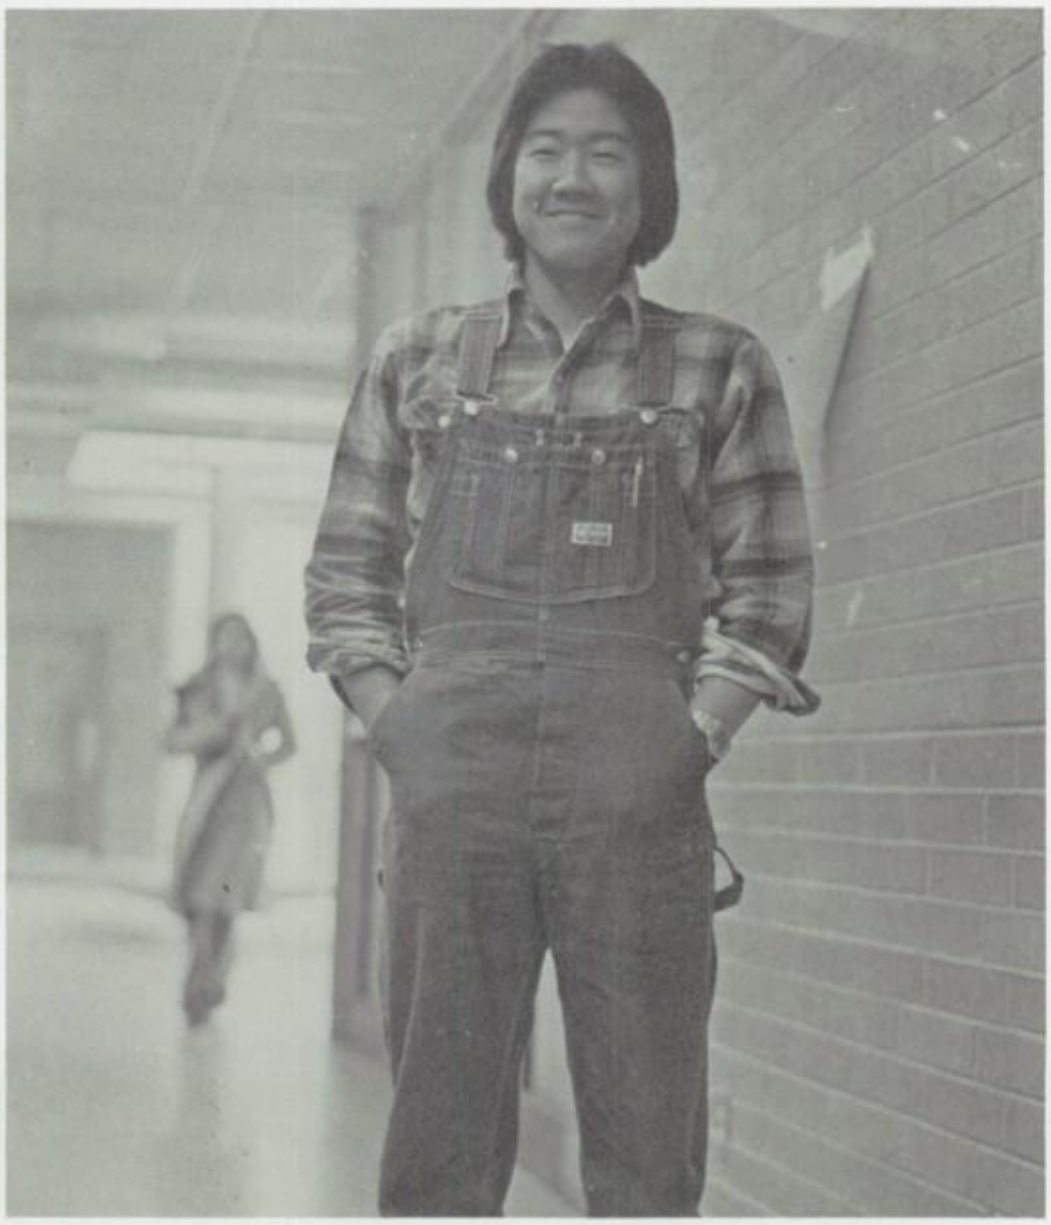
All over SHS it's different strokes for different folks. Ski sweaters, fry boots, the always popular overalls, blue jean gauchos, vests with skirts and quilted coats.

I always wear sweaters









IF YOU WERE THERE you'll remember...

Washington has been in the spotlight of activity lately. The U.S. has a new president. Jimmy Carter was victorious over Gerald Ford in the '77 elections. But that's not all; news has been happening all over the country: the Vietnam draft dodgers received a pardon after much debate; Claudine Longet, Andy Williams' ex-wife, was tried for the killing of boyfriend and champion skier Spider Sabich; "Roots" caused renewed social strife; Gary Gilmore's execution was the first in over a decade; Mao Tse-Tung's death shook the nation: Howard Hughes' death uncovered many "wills"; Abu Deoud was said to be the mastermind of the Munich massacre; fuel shortages due to the vast amounts of snow and ice forced factories to close and schools and other public buildings to turn the heat down to sixty-five degrees.

JESUS IS IN THE CENTER OF THE PICTURE!
IS HE IN THE CENTER OF YOUR LIFE?

1. God loves you and wants you to have Real Life. (*John 10:10*)
2. However, sin has separated you from God. (*Isa. 59:1-3*)
3. Jesus Christ is God's appointed way back to Himself. Through Christ you can have peace with God and experience His blessings. (*Rom. 5:1-2; Isa. 53:4-6*)
4. Simply turn to God in prayer right now and tell Him that you accept Christ as your personal Savior. (*Acts 16:30-31*)

Gym Holds Capacity Crowd

Sweaty faces and hands tightly clutching diplomas symbolized graduation night. It was a typical summer evening, but not one our class will soon forget. The seriousness of the occasion was jumbled together with thoughts of anticipation of what lies ahead of us.

It was begun traditionally by marching in two by two. We went through the familar routine of listening to the class song, receiving our diplomas, and singing our good ole' alma mater.

The minute the last prayer was said and the last speaker had spoken, caps were thrown in the air with a feeling of relief. It was over and we finally graduated into adulthood.

CCECA

CCECA was left out of the big book so we are putting them in this with our sincere apologies.

The most important things about my high schoolyears were not the things I learned in class, they were the attitudes and opinions of other students that I was exposed to.
DANNY PERRYMAN

I feel the high school years are very fun and important years. These years will long be remembered by everyone. Never again will we all be together at the same time laughing and enjoying each others company.
JAMI SNOW

School was great, especially in between classes. If you wanted to find out about something or someone just find yourself in the lobby. Maintain the lobby tradition.
DAVID LILY

To me, my high school years were the most meaningful and the most rewarding years of my life.
LESLI THIESSE

The faculty of SHS, along with many friends, has made the last four years the most pleasurable I have and will ever experience.
GEORGE ROBINSON

High School has been a wonderful learning experience for me. Learning to accept the good things and cope with the bad things has helped me to mature far more than any other three years I've spent anywhere else.

High School is a period in our lives when we experience growing, maturing, happy and sad times. It's a time for making our best friends, friends which last a lifetime.

During my high school years I really had a lot of fun and I enjoyed every bit of it. I will never forget all the good times we had.

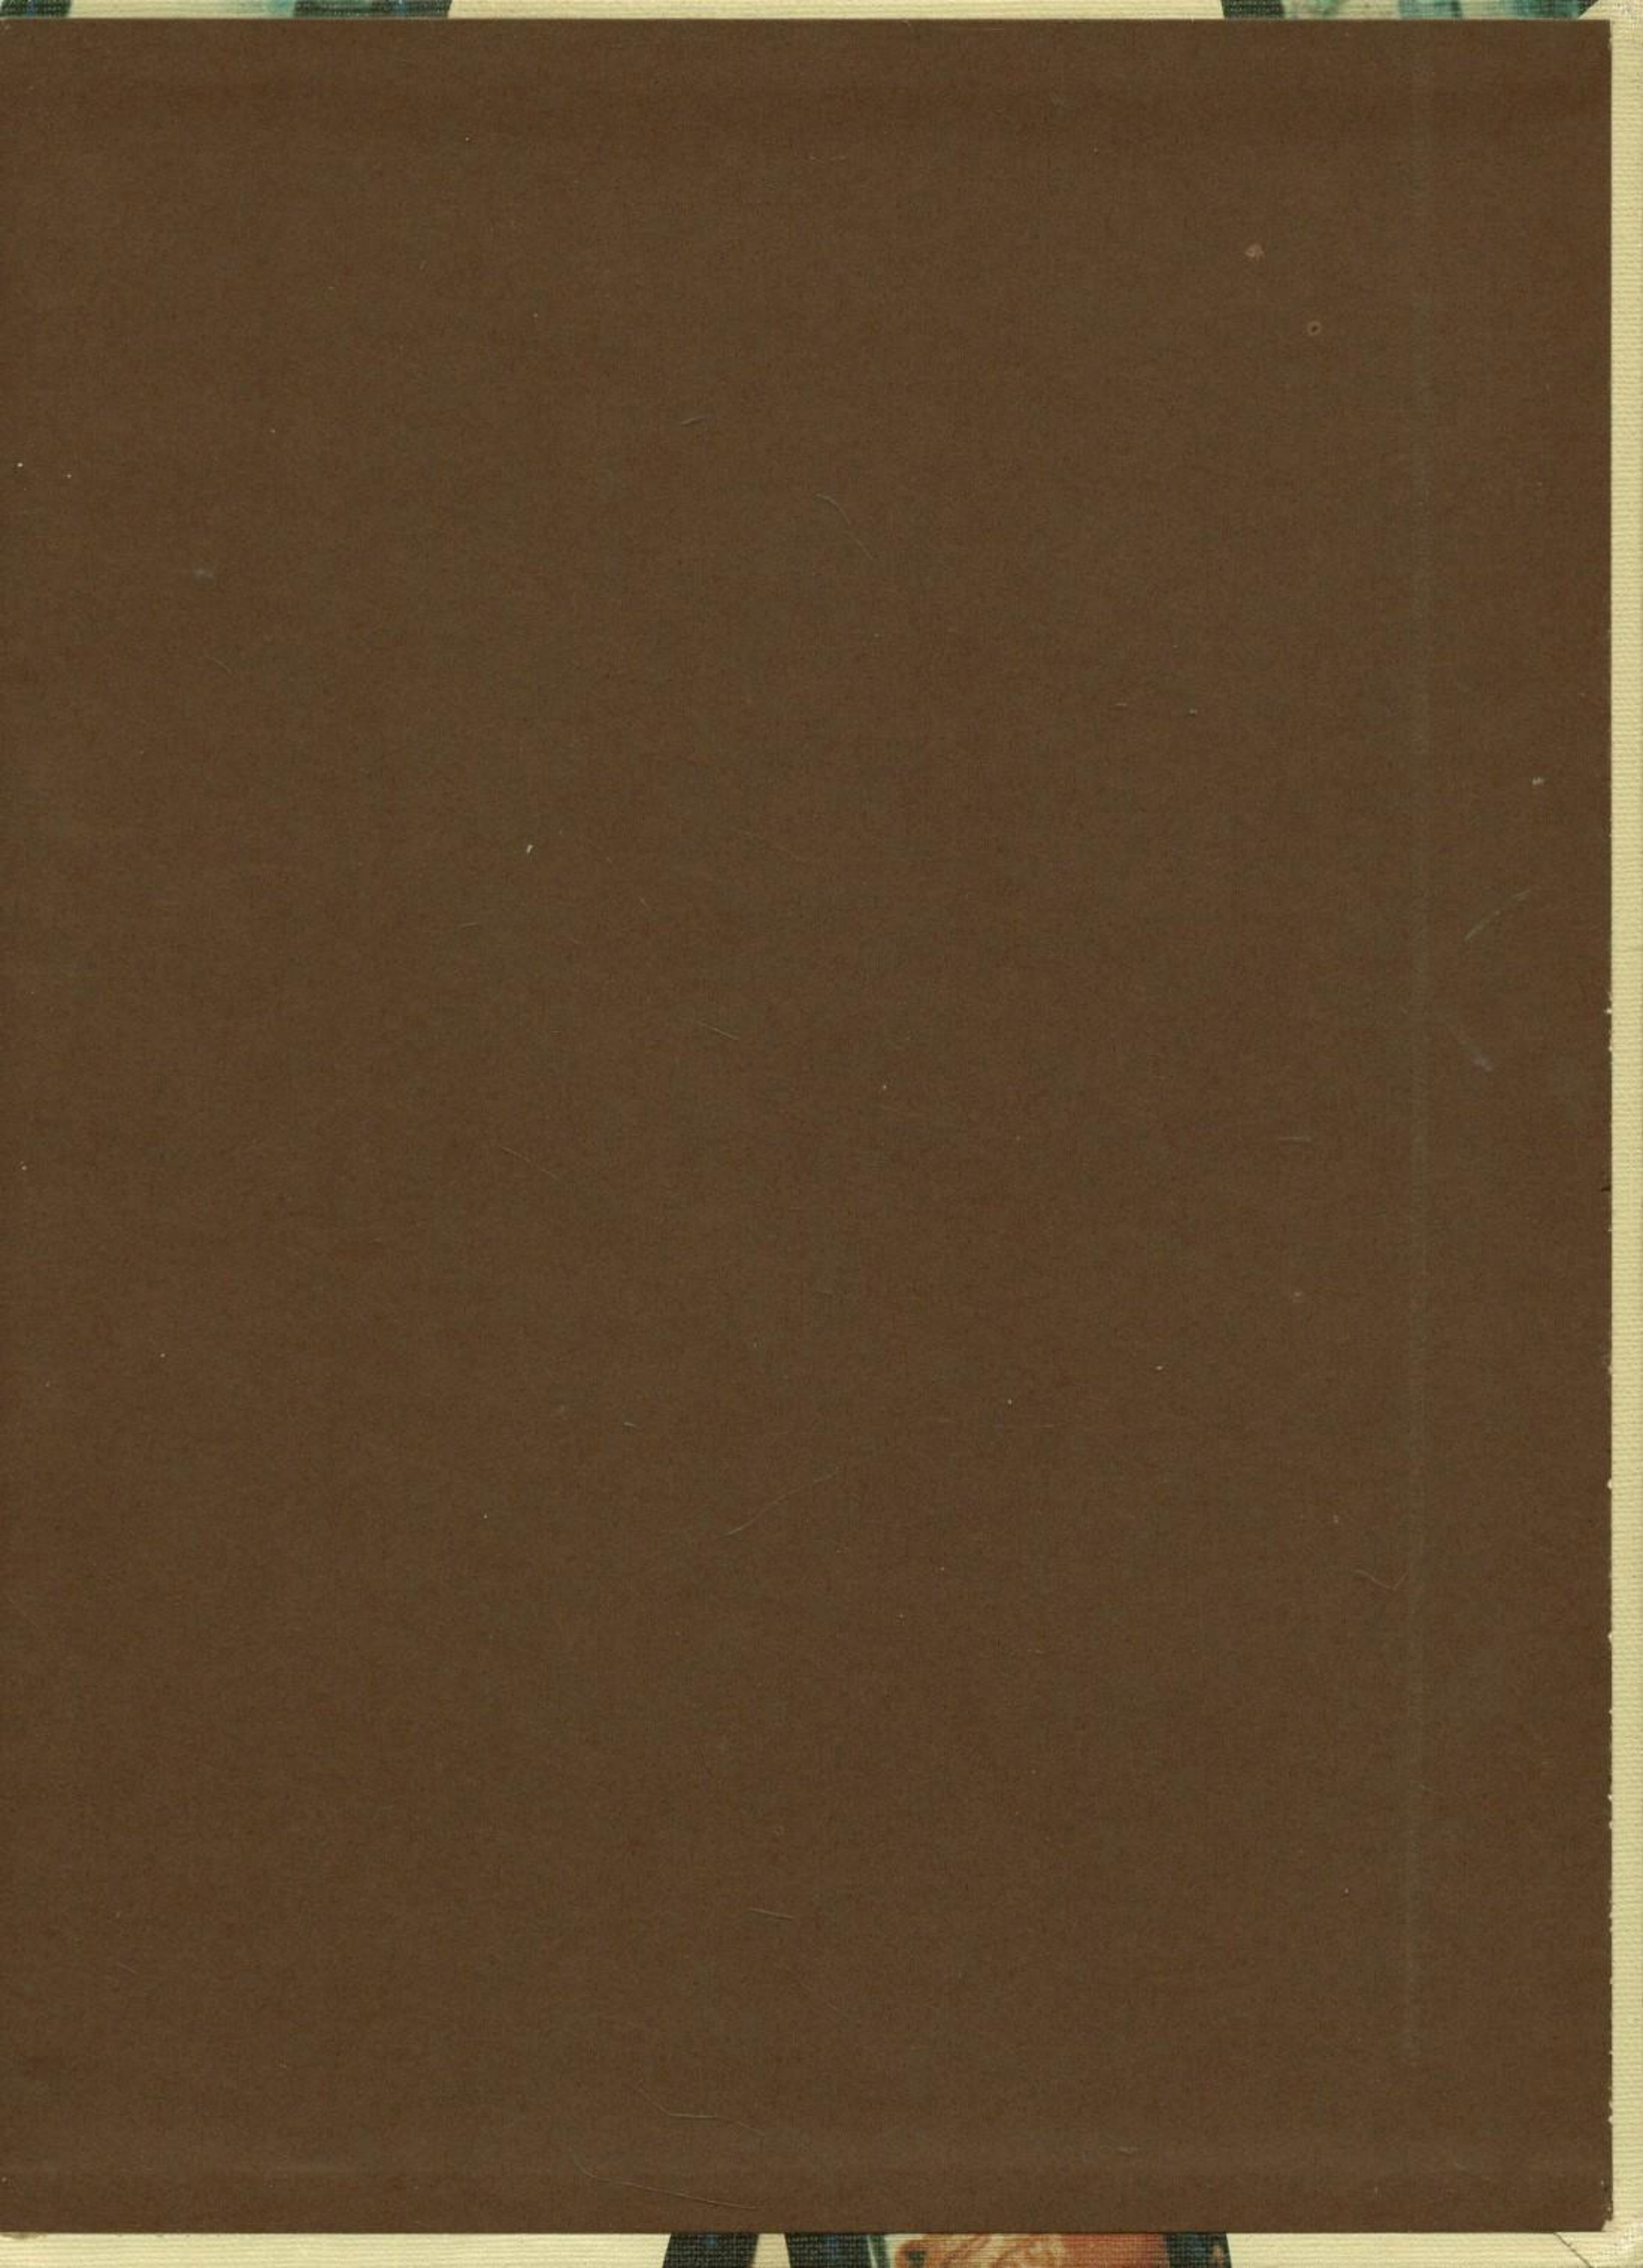
Not available for comment.

High School is the best thing I've experienced in my short life. I think it has helped prepare me for the future.

As a sophomore it seemed an eternity until graduation, but today I wish I had another three years. Thank you SHS for three years I'll never forget.
CHRISTYE HOOTEN

I think my Senior year was . . . great! Nothing has ever meant more to me than all the memories I'll have of it.
VALERIE HOUSTON

My four years of high school were filled with many great times and experiences.
CHRIS PIANALTO

High school was a lot of fun, and the Class of ''77'' will always be great. I wish the Juniors and Sophomores the best of luck in the years to come.
JON PENNY


I loved my high school years and I found them challenging. I wouldn't trade these three years at SHS for anything in the world.
JULIE WALKER
